God is so good to us in giving us beloved pets to be our companions and also in allowing some animals to be of service to those individuals who need their assistance. Welcome, Chuck Chi!

## From the Pastor

Dear Good People of Our Lady of the Cross,

**Thank You:** On behalf of Fr. Jefferies, the Passionist Missionary who spoke last weekend at all the Masses, I would like to express my thanks for your generous support. Even though attendance was down because of the holiday, the second collection was very good.

**Statues:** I mentioned last weekend that the statues of the Pieta, St. Francis of Assisi and St. Anthony of Padua have been removed from Mater Dolorosa Church and have been placed temporarily in the parish office building. I would like to express my thanks to the men who moved the statues for me. I was a bit nervous as the Pieta was being taken down from the back altar but the men knew what they were doing and everything turned out fine.

There are several spots where the paint is flaking off the Pieta. One of our parishioners, Sarah Miele, will be repainting all three statues. Sarah is a very talented artist who painted the murals in the Social Center last summer. I know that the statues will be beautiful when Sarah has finished her work.

**Appeals Board:** You may have seen the article in the newspaper on Thursday concerning Mater Dolorosa Church. The Massachusetts Appeals Board upheld the city's refusal to issue an emergency demolition permit. We fully expected this decision. But this decision does not stop the six month demolition delay period imposed by the Holyoke Historic Commission to run its course. Just to be clear: the Appeals Board's decision was limited to the request for an **emergency** demolition permit. After October 1<sup>st</sup> we will be able to pursue plans for demolition, unless a buyer for the church comes forward with a reasonable offer. The Appeals Board did require that fencing and debris netting be installed around the church for safety reasons.

**Lazy Days of Summer:** This time of year gives us the opportunity to slow down a bit and take the time to enjoy the blessings that surround us. Whether it be working in your gardens or relaxing at the shore, I hope you are finding time to experience the beauty of creation. Many people use the summer months to catch up on their reading. There is nothing like sitting on the patio or on the beach and reading a good book. In addition to the bestsellers, there are so many good spiritual books waiting to be read. I encourage you to read at least one spiritual book this summer!

**The Next BIG Fundraiser:** The cost of a raffle ticket for our annual **\$5K Pay Day** is \$100. BUT the grand prize is \$5,000. There are also two prizes of **\$500.00** and two prizes of \$250.00 If you cannot afford to purchase a ticket, you may want to consider sharing the cost of a ticket with another person. The drawing will take place on **July 21** in the Pope St. John Paul II Social Center. At that time, food and drinks will be served to those who have purchased a raffle ticket. If you are unable to attend the drawing, you can still participate in the raffle. The sale of the raffle tickets has been strong and we are grateful for the great response. For the past couple of years we had to turn people away because we sold all of the tickets. Keep in mind; we only sell 160 tickets, so get them soon. Tickets will be on sale after all Masses this weekend and next. They are also available in the parish office.

**Newest Citizen:** I am pleased to announce that on July 4, Fr. Andrzej became a United States citizen during a naturalization ceremony that took place in Old Sturbridge Village. Fr. Andrzej was one of 121 individuals from 46 different countries who took the oath of allegiance that day. Fr. Andrzej was accompanied by several of our parishioners. Congratulations, Fr. Andrzej!!

Peace,  
FR. ALBERT
